| IFRA Class 2 Limit                  | 6.67%                    |
| IFRA Class 3.A Limit                | 26.67%                   |
| IFRA Class 3.B Limit                | 26.67%                   |
| IFRA Class 3.C Limit                | 26.67%                   |
| IFRA Class 3.D Limit                | 26.67%                   |
| IFRA Class 4.A Limit                | 33.33%                   |
| IFRA Class 4.B Limit                | 33.33%                   |
| IFRA Class 4.C Limit                | 33.33%                   |
| IFRA Class 4.D Limit                | 33.33%                   |
| IFRA Class 5 Limit                  | 33.33%                   |
| IFRA Class 6 Limit                  | Not approved             |
| IFRA Class 7.A Limit                | 13.33%                   |
| IFRA Class 7.B Limit                | 13.33%                   |
| IFRA Class 8.A Limit                | 33.33%                   |
| IFRA Class 8.B Limit                | 33.33%                   |
| IFRA Class 9.A Limit                | 33.33%                   |
| IFRA Class 9.B Limit                | 33.33%                   |
| IFRA Class 9.C Limit                | 33.33%                   |
| IFRA Class 10.A Limit               | 33.33%                   |
| IFRA Class 10.B Limit               | 33.33%                   |
| IFRA Class 11.A Limit               | 100%                     |
| IFRA Class 11.B Limit               | 100%                     |

## IFRA CONFORMITY CERTIFICATE

For other kinds of application or use at higher concentration levels, a new evaluation may be needed; please contact Scent Perfique Ltd.

The IFRA Standards regarding use restrictions are based on safety assessments by the Panel of Experts of the RESEARCH INSTITUTE FOR FRAGRANCE MATERIALS (RIFM) and are enforced by the IFRA Scientific Committee.

Evaluation of individual Fragrance ingredients is made according to the safety standards contained in the relevant section of the IFRA Code of Practice.

It is the ultimate responsibility of our customer to ensure the safety of the final product (containing this fragrance) by further testing if need be.
